

POLICE DEPARTMENT MONTHLY REPORT

July 11, 2016

Evan Jensen completed final testing for the police department and his first day is July 11th. Evan attended WSCU and has moved back to Gunnison from Aurora. Evan fills the vacancy created by the resignation of Caleb McDowell in June. The department still has the 15th officer position to fill so we have reopened the hiring process. Communications was able to fill the spot left by Emma McDowell, in June, with the hiring of Hilarie Tamlin on July 10th. Hilarie was most recently employed at the hospital. Both employees have started the department training programs.

Law Enforcement Explore groups will be meeting at WSCU starting July 10th. The youth groups are from Colorado and surrounding states and will be participating in law enforcement related training so they will be in uniform, driving marked police cars and using training guns. The group has been coming to WSCU for several years and our department assists as requested. So you may see an increase in activity around town with marked police vehicles but most of their activities are confined to campus.

Phone issues in June caused several outages, which everyone is probably aware of. The outages did not affect communications ability to notify and communicate with emergency personnel. During the outages 911 calls were affected by being routed to other call centers where the information could be obtained and referred back to us. However, on the last outage the transfer feature was also down. We have no reports of any emergencies occurring during the outages in our call area.

Seems like this report is more about July than June but the year is going pretty fast. July 4th went off with many issues with Hwy 50 closure and detour seeming to help. From the end of the fireworks until traffic was back to normal was about 26 minutes. Cattlemen's Days is upon us and planning is being finished for those events. We have already started planning freshman orientation with WSCU, meetings with police and dorm staff and working on classes for the public schools.

<u>Reports Taken</u>	<u>Mar</u>	<u>Apr</u>	<u>May</u>	<u>Jun</u>
Alcohol violations	4	4	3	1
